

## My Blue Bird Terms & Conditions

By downloading or using the app, these terms will automatically apply to you – you should make sure therefore that you read them carefully before using the app. We are offering you this app to use for your own personal use without any cost, but you should be aware that you cannot send it on to anyone else, and you're not allowed to copy, or modify the app, any part of the app, or our trademarks in any way. You're not allowed to attempt to extract the source code of the app, and you also shouldn't try to translate the app into other languages, or make derivative versions. The app itself, and all the trademarks, copyright, database rights and other intellectual property rights related to it, still belong to Bluebird group.

Bluebird group is committed to ensuring that the app is as useful and efficient as possible. For that reason, we reserve the right to make changes to the app.

We recommend that you do not jailbreak or root your phone, which is the process of removing software restrictions and limitations imposed by the official operating system of your device. It could make your phone vulnerable to malware/viruses/malicious programs, compromise your phone's security features and it could mean that the Bluebird group app won't work properly or at all.

You should be aware that there are certain things that Bluebird group will not take responsibility for. Certain functions of the app, such as the ability receive trip summary via email, the live Taxi Tracker function will all require the app to have an active internet connection. The connection can be Wi-Fi, or provided by your mobile network provider.

If you're using the app outside of an area with Wi-Fi, you should remember that your terms of agreement with your mobile network provider will still apply. As a result, you may be charged by your mobile provider for the cost of data for the duration of the connection while accessing the app, or other third party charges. In using the app, you're accepting responsibility for any such charges, including roaming data charges if you use the app outside of your home territory (i.e. region or country) without turning off data roaming. If you are not the bill payer for the device on which you're using the app, please be aware that we assume that you have received permission from the bill payer for using the app.

At some point we may wish to update the app. The app is currently available on Android and iOS – the requirements for both systems (and for any additional systems we decide to extend the availability of the app to) may change, and you'll need to download the updates if you want to keep using the app. Bluebird group does not promise that it will always update the app so that it is relevant to you and/or works with the iOS/Android version that you have installed on your device. We may also wish to stop providing the app, and may terminate use of it at any time without giving notice of termination to you. Unless we tell you otherwise, upon any termination, (a) the rights and licenses granted to you in these terms will end; (b) you must stop using the app, and delete it from your device.
